Foreword

The information contained in this and preceding volumes of Noble County cemetery readings was gathered by members of the Noble County Genealogical Society, Inc. Accuracy was the intent, and any errors or misreadings of badly weathered stones are unintentional.

Readings were compared with the 1933-34 DAR Noble County Cemetery readings when stones were missing or difficult to read.

Noble County was organized in 1836, and records of burials prior to that date are rare or non-existent as most interments were in family plots.

The volumes published are as follows:

Volume I	Noble, Sparta, Washington & York Townships
Volume II	Orange & Wayne Townships
Volume III	Albion, Perry & Elkhart Townships
Volume IV	Allen, Green, Jefferson & Swan Townships

Abbreviations used in this Volume

b.	born	d	days	*	Footstone
d.	died	h	hours	**	Temporary marker
m.	married	m	months	?	Unable to read
d/o	daughter of	w	weeks	h/w	his wife
s/o	son of	y	years	w/o	wife of

Parenthesis () around a surname indicates the surname was not engraved on the stone.

ALLEN CHAPEL CEMETERY

Readings were taken in 1985. The cemetery is located in Section 2 of Allen Township at the northwest corner of County Roads 100E and 500N. The earliest death date recorded on the stones is that of Oliver R. Isbell who died April 7, 1844. Mary Isbell, born in 1775, appears to have been the earliest born buried here. The point of beginning is at the southwest corner of Section 1, with rows read from south to north in Section 1 and from west to east in Section 2.

Readings were taken in August 1982 and updated in July 1986. The cemetery is located in Section 34 of Allen Township at the northeast corner of Albion and Cherry Streets, 3/10 mile west of State Road 3 in the town of Avilla. Sumner Randall, owner of the cemetery, sold the original plot to the Cemetery Association in 1914. A purchase from Donald and Helen Parks in 1969 created extension to the original plot. Buried here is centenarian Jonas Strouss (1800-1900), the donator of land for Swan Township's Hopewell Cemetery. The point of beginning is at the northwest corner of Section 1, with rows read from north to south.

LISBON CEMETERY

Readings were taken in May 1982 and updated in June 1986. The cemetery is located in Section 9 of Allen Township on the south side of County Road 415N, 2/10 mile west of State Road 3. The second Allen Township settler and a veteran of the War of 1812, Alpheus Baker is buried here. There are several veterans of the Civil War in this cemetery, including two of Alpheus' sons. The point of beginning is at the northwest corner of the cemetery, and rows are read from north to south.

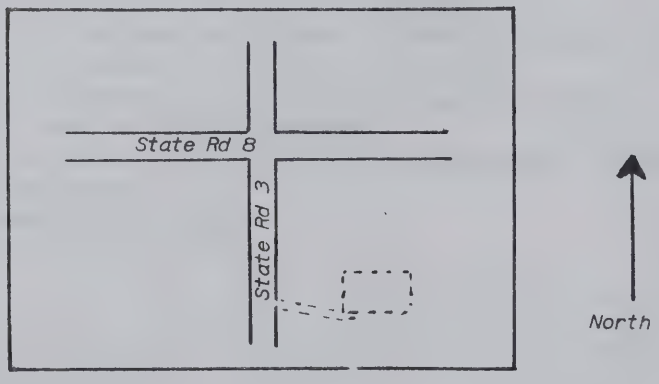
IMMANUEL LUTHERAN CEMETERY

Immanuel Lutheran Church, formerly known as Lutheran Society, owned real estate in Noble County, Indiana, with legal description of the land recorded in the office of the Noble County Recorder in Deed Book D, pages 404-5, April 2, 1849.

More than 100 years ago a little log church stood on the banks of a creek east of the main road, about 3-1/2 miles south of Kendallville in Section 15 of Allen Township. Adjacent to the church was a burial ground. The church no longer stands, and the only legible marker left leans against a tree and reads as follows:

> Mrs. Lozier, Elizabeth, wife of Henry Lozier, d. Aug 18, 1850 ae 65y2m8d

There have been no known interments for several decades, and the cemetery is considered to be a private burial ground. There are no plans for future interments.



LUTHERAN CEMETERY

Readings were taken in October 1981 and updated in July 1986. The cemetery is located in Section 21 of Allen Township, 7/10 mile south of State Road 8 on County Rd 900E. In 1854 Michael Diehm contributed the land for this cemetery and the church which was constructed at this location. The church no longer stands at this site, as it was relocated and is now used as the Avilla Public Library. John Christoph Diehm, born in 1774, carries the earliest recorded birthdate in this cemetery. The earliest dated death is that of Johann Spatz on July 26, 1860. Point of beginning is at the southeast corner of Section 1, and rows are read from south to north.

ST. MARY'S CATHOLIC CEMETERY

This cemetery is located on the east side of State Road 3, 6/10 mile north of the junction of State Rd 8 at the town of Avilla. Readings were taken in June 1982 and updated in July 1986. The cemetery is at the site of the original little church formed in 1853. There are several stones with inscriptions in the German language. One of the more unusual reads, "Albert Bammer born in Allsimonswall Baden Germany died June 13, 1872 in his 20th year killed by team running away." Point of beginning is at the northwest corner of Section 1, and rows are read from north to south.

GRAY CEMETERY

Readings were taken in September 1982 and updated in July 1986. Named for the owner of the original family plot, the cemetery is located in Section 27 of Green Township along a lane 1/4 mile south of County Rd 400S. The earliest recorded birthdate was that of William Gray (1778), and Rosa and Harriet Gray's deaths were recorded in November 1839, the earliest in this volume. Rows were counted from west to east, and stones were recorded from north to south. Point of beginning is at the northwest corner of the cemetery, and rows are read from north to south.

°°°°°°°°°°

A family burial plot east of Albion on County Road 100S south of County Road 500E contains the graves of two girls who died as a result of the plague and were buried separately. They are presumed to be sisters of Henry James Herendeen and Minerva (Herendeen) Busse, children of George A. and Dilana Herendeen. Broken stones under a tree are the last traces of the burial record, and permission must be obtained from the property owners, the Gaerte family, to visit the site.

MOUNT PLEASANT CEMETERY

Readings were taken in 1982 and updated in July 1986. The cemetery is located in Section 24 of Jefferson Township on the west side of County Rd 600E, 4/10 mile south of State Road 8. The area south of the gate is under the control of the township, while the northern section is directed by the Cemetery Association. The association was formed on December 4, 1899, with the following serving as officers: President Willis Foster; Secretary John D. Black; and Treasurer Willis A. Barhan. The prior owner of the land, John Black, was appointed general superintendent of grounds to sell lots at ten, fifteen, or twenty dollars, according to location, and he was to retain one dollar for each lot sold. Earliest recorded death date was that of Christian Barhan in 1844. John Yeiser, born in 1778, recorded the earliest birthdate. The point of beginning is at the southeast corner of Section 1, and rows are read from south to north.

REHOBETH CEMETERY

Readings were taken in May 1981 and updated in July 1986. The cemetery is located in Section 28 of Jefferson Township at the southeast corner of County Roads 175N and 125N. A stone installed in the church carries dates of 1858-1907; however, the cemetery's origins were earlier as the death of Mary Clemens was recorded in 1842. Anna Clemens, born in 1790, has the earliest recorded birthdate. Point of beginning is at the northwest corner of Section 1, and rows are read from north to south.

BETHLEHEM CEMETERY

Readings were taken in August 1982 and updated in June 1986. Located in Section 15 of Swan Township on the south side of Swan Road 1.4 miles west of State Road 3, this cemetery was part of land owned by Peter Bricker. The church which stood to the east of the cemetery was demolished several years ago. It was named for the church in Washington County, Pennsylvania, which the Bricker, Simon, and Whonsetler families attended prior to migrating to Noble County. The earliest birthdate and deathdate engraved on stones here belong to James Warner (1787-1853). Point of beginning is at the southwest corner of the cemetery, and rows were read from north to south.

HOPEWELL CEMETERY

Readings were taken in May 1982 and updated in June 1986. The cemetery is located in Section 5 of Swan Township, at the northeast corner of County Road 700E and Hopewell Road. Hopewell Presbyterian Church and Fellowship Hall (former school) are located at the south edge of the cemetery. Land was donated for the church, school, and cemetery by early Swan Township settler Jonas Strouss. The earliest recorded birthdate is that of Robert McCartney in 1795. The point of beginning is at the northeast corner of the cemetery, and rows were read from north to south.

SWAN CEMETERY

Readings were taken in August 1982 and updated in July 1986. The cemetery is located in Section 13 of Swan Township at the northeast corner of County Road 300S and State Road 3. The earliest recorded birthdate is that of Jane Crawford, 1763-1859. Earliest death was the wife of Levi Atwell (1774-1848). The cemetery sign was built and donated by Herschel Bolton, and the care of the older stones for many years was overseen by mason Leslie Jordan. The cemetery association responsible for this burial site disbanded in 1986. Point of beginning is the northwest corner of Section 1, and rows are read from north to south.
